From the Superintendent

Brad Detering

Congratulations to the Class of 2019! We are so proud of your accomplishments and your willingness to do the small things to make a big difference. #SalemWildcatPride.

There are several building projects that will be completed this summer. There are new roofs going on over the big gym, small gym, band, and choir areas. The restrooms on all three floors in the academic areas are being renovated with new fixtures, partitions, and lighting. This is a continued effort to keep our beautiful building upgraded and one of the finest facilities for its age.

There is a new twist with the iPad program this summer. Students may deduct either \$20 or 4 iPad hours if either paid in full or hours completed at registration (\$60 or 12 hours). If not, students will be required to pay the \$80 iPad partnership fee or complete 16 iPad partnership hours. SCHS accepts credit or debit cards for payment and the fees can be paid anytime this summer up through registration to get the reduced fee

Summer is a great time to earn the money to pay the fee or complete the partnership hours. Students will need to pay a minimum of \$20 or have completed 4 hours before the iPad will be issued in the fall. Students may pay \$20 or complete 4 hours each grading quarter until completion. There have been quite a few new partnership agencies added since last year. A list of partners can be found on the 1:1 website at:

Have a Safe and Enjoyable
Summer!

From the Principal

John Boles

As the 2018-2019 school year closes, this is a great moment to reflect on the accomplishments of the past year and look forward to the 2019-2020 school year.

The Class of 2019 just graduated 159 students. We wish them well in their academic and personal endeavors in the future. On the other end of the spectrum, we prepare for the arrival of 161 incoming freshmen - the Class of 2023.

The Senior Awards night program honored the accomplishments of the Class of 2019. Local scholarships, awards, and university endowments were presented in excess of \$1,000,000. A showcase of the potential the Class of 2019 holds.

We would like to take this opportunity to thank Mrs. Gibbs for her many years of service to SCHS. We wish her a happy and relaxing retirement.

As this year comes to an end, I want to thank each and every one of you for going the extra mile. Your hard work, dedication, and kindness is greatly appreciated.

I would like to take this opportunity to remind our parents/guardians about some of our guidelines at SCHS:

1. Cell phones must be turned off and in your student’s locker during the school day. If a cell phone is turned in to the office, a parent/guardian must retrieve it before 3:45 PM.
2. Only students eligible for bus transportation may ride our school busses to and from school. If your student needs to ride a different bus before or after school, please send a note with your student or contact the main office.
3. Each student may be absent from school five times with parent/guardian contact. After those five days, they must submit a doctor’s note for it to be excused.
4. When your student is absent, please make contact with our main office. Doctor’s notes will be accepted up to 48 hours after the appointment.

We look forward to a productive and successful school year. Following these guidelines will make the year much smoother for your student. As always, please feel free to contact our office if you have any questions or concerns.

Kudos-Perfect Attendance

The 58 students listed below had perfect attendance for the entire year. Sophomores and juniors with perfect attendance will be able to reserve a spot for parking next year. Alyssa Middleton was the only senior who was able to maintain perfect attendance for all four years. Great job!
