Snow Day / Emergency Day E-Learning Policy

It is the opinion of Salem Community High School that daily attendance is critical for a student's success. During inclement weather, Salem Community High School will classify student learning in 3 ways.

1. **Traditional Snow Day** - No attendance for students or staff. No assignments for students. Food delivery **will not** be provided.
2. **Schoology Learning Day** – There will be two activities posted into each student’s Schoology classes by 9:30 AM. The first assignment is a class check-in assignment that must be completed before 1:00 PM. The second assignment is the work for the day. It will be treated like homework and must be completed prior to returning to school the following day. Attendance will be recorded by a student's participation in the attendance check-in activity on Schoology. Students who do not participate in classroom attendance check-in will be counted as unexcused. Excused absences will be applied in the same fashion as they would be on a normal school day. Parents or guardians may excuse an absence during a Schoology day within 48 hours. These absences will count as a parent call-in day. Food Delivery **will not** be provided.
3. **Zoom Learning Day** -Teachers will conduct live classroom activities via Zoom and will follow the schedule below. Students who do not log on to Zoom or leave their camera on will be counted as unexcused. Excused absences will be applied in the same fashion as they would be on a normal school day. Parents or guardians may excuse an absence during a Zoom day within 48 hours. These absences will count as a parent call-in day. Food Delivery **will** be provided at specific locations within the district. Students need to request a lunch via their iPad and select the delivery site. Wi-Fi hotspots are available through the District if a student lives in a household without reliable internet.
