## Kaleb Keys

The Cooperative Education Program provides students the opportunity to gain a greater understanding of their desired career by being placed at a training site that matches their career objectives.

Kaleb Keys is currently a senior at Salem Community High School.

Kaleb's training site is Stephen A. Forbes State Park, where he works closely with his supervisor Clint Benhoff to develop the skills needed to succeed in a career in Conservation.

Working in all areas of Forbes State Park has enabled Kaleb to acquire skills in Conservation, and gain the experience needed to help him reach his career goal in Conservation Management.
